

# ECHO81

## WAREHOUSE TECHNICIAN

ECHO81 is a premier supplier of underwater survey technologies for the hydrographic and geophysical survey sectors. Our team members have over 50 years of combined experience in the field operating and maintaining the full suite of marine survey equipment. We are recognized for our integrity and commitment to client service, and we specialize in the sales, rentals, and training of hydrographic and geophysical equipment. We are looking for enthusiastic individuals looking for foundational experience in the maritime industry to join our team!

As a Warehouse Technician with ECHO81, you will be responsible for executing coordinated equipment asset maintenance to include testing, cleaning, packaging, and documentation. In addition, duties include preparing incoming and outgoing equipment shipments, assisting Systems Specialists with asset performance validation, and maintaining warehouse cleanliness.

### Role & Responsibilities Description:

- Execute coordinated maintenance on sensitive equipment assets.
- Clean and prepare incoming and outgoing sensitive equipment for bench testing.
- Documentation and data entry of sensitive asset testing.
- Shipping and Receiving
- Forklift Operation
- Prepare and review reports for equipment and consumable tracking.
- Assist with positioning, loading and unloading of sensitive equipment for testing, storage, and return to warehouse inventory location.
- Deliver and pick up materials as needed.

### Qualifications:

- High school diploma or equivalent.
- Proficiency in Microsoft Office and other office software.
- Strong organizational skills and attention to detail.
- Excellent communication and interpersonal skills.
- Strong written and verbal communication skills
- Proven ability to multi-task in a fast-paced environment
- Basic computer and/or tablet/iPad experience
- Ability to work independently and as part of a team.
- Valid Driver's License
- Periodic Drug Testing
- Criminal Background Check

### Physical Demands:

- Frequent Lifting of 10 – 50 lbs.
- Occasional Lifting excess of 50 lbs.
- Sustained periods of standing, walking, bending, kneeling.
